

**We provide excellent
design, planning and
construction services**

DESIGN & PLANNING

At I&G Construction Ltd. we work with professionals who have expertise in residential and commercial Architecture, Interior Design and Planning.

- » After an initial consultation, we conduct the architectural survey of the existing property and prepare a draft design.
- » We prepare, submit and monitor all types of Planning applications. If necessary, we consult the local authority, neighbours and residents.
- » We deal with the preparation and submission of Building Control applications, and, if required, we approach and liaise with other professionals.

After more than a decade of experience, we know how to listen and understand our clients' wishes. Our projects speak for us.
